To Our First Senior Class . . .

This Diary of A Year is affectionately dedicated to You, Class of 1975, Tabernacle Christian High's First Senior Class.

Through the years, other Senior Classes will come and go, but you are unique. You are THE FIRST. That honor will be given no other class. Cherish it.

The years have passed far too quickly and you are leaving the halls of Tabernacle Christian. With you go memories of busy, happy days here and hopefully, along with the chemistry formulas and passages of great literature pounded into your heads, will go principles and guidelines for Christian living and service to Christ.

You, Class of '75, hold a special place in the hearts and minds of faculty, staff and students of Tabernacle Christian High.

You have been teased, praised, encouraged, scolded and disciplined when the need arose. You have been prompted, pampered and pushed to achieve what we think you can and should do.

Many times your names have been called to God in prayer. Some tears have been shed on your behalf along the way.

Through it all, you have been held in the deepest affection because you now and always will belong to us all. All of us have a part in your past and now, your future when you take your place in God's Plan for your life.

Congratulations, Pioneer Class of Tabernacle Christian High. We have great faith in you. We're proud to claim you as Our First Senior Class!

Alma Mater

*Midst the fragrant orange blossoms
As a beacon in the night,
Stands our stately Alma Mater,
Beaming forth the gospel light.
With honor, truth and wisdom,
We, her highest ideals hold
And reflect the Christian spirit
Of the Purple and the Gold.*

*When Christ shall bid us serve Him,
Our place in life to fill,
Our school ties will ne'er be broken,
Her standard guides us still;
And across the distant spaces,
Tales of fame and courage bold
Will reflect the Christian spirit
And the Purple and the Gold.*

Senior Class Prayer

Our Father,

As the first graduating class of Tabernacle Christian High, we come before You with contrite hearts, realizing that we must set a high standard for those who follow us. We accept this responsibility joyfully and depend upon Thee to help us.

We are grateful for the years of Christian school. We thank You for the victories and defeats we have experienced here in sports and scholastic areas for we believe that every phase of life at Tabernacle High has molded our character and prepared us to serve You better.

Thank You for faculty, staff and administrators who have put You first and have set an example for us. They have loved You and reflected that love to us.

Especially, we are grateful for the friendships we have made here. We pray that they will be strengthened through the years.

For the lessons we have been taught here about how to live as Christian men and women in a sin-filled world, we praise You.

May our wills be lost in Thine. Teach us to lift up Christ always, wherever life takes us. Help us not to be ashamed to witness for Him.

Let us not forget how far You have brought us.

Permeate our lives with Your Holy Spirit. Guide us.

In Jesus' name we pray. Amen.

I cannot explain in words the way I
feel about you. ~~I~~ All I ever think

Linda you are my love in my life and
I want you to spend the rest of
it with me.

So since you know I ain't much

this last simple phrase

"I Love"
